**SUBJECT**  
**CERTIFICATION OF NATIONAL EMERGENCY – ELIGIBILITY FOR SUPPLEMENTAL PAY**

This document should be placed with the referenced rule and/or regulation until the Post End Date.

Civil Service Commission (CSC) Rule 2-14.2(b) authorizes supplemental pay and benefits for classified employees in a military reserve or National Guard unit who are ordered to emergency active duty in the uniformed services. "Emergency active duty" is defined in CSC Rule 9-1 to include "active duty in a uniformed service in support of emergency operations during a national emergency declared by the president . . ."

Since September 11, 2001, supplemental state pay and benefits have been authorized as a result of Presidential Proclamation 7463 in which President George W. Bush declared a national emergency arising out of the terrorist attacks at the World Trade Center, the Pentagon, and aboard United Airlines flight 93. Proclamation 7463 has been extended year-to-year since its issuance. Most recently, on September 12, 2007, it was extended for an additional year [Federal Register, Vol 72, No 177, p 52465].

As a result of the scope of Proclamation 7463 and the continuing military operations in Iraq and Afghanistan, the State Personnel Director certifies that classified employees in a military reserve or National Guard unit who entered active military duty after September 11, 2001, are eligible for supplemental state pay and benefits during Fiscal Year 07-08, regardless of duty location or nature of the military duties, as authorized in CSC Rule 2-14.
